

**POLISH MANUFACTURER OF CHILDREN'S TOYS**

PRODUCT CATALOG

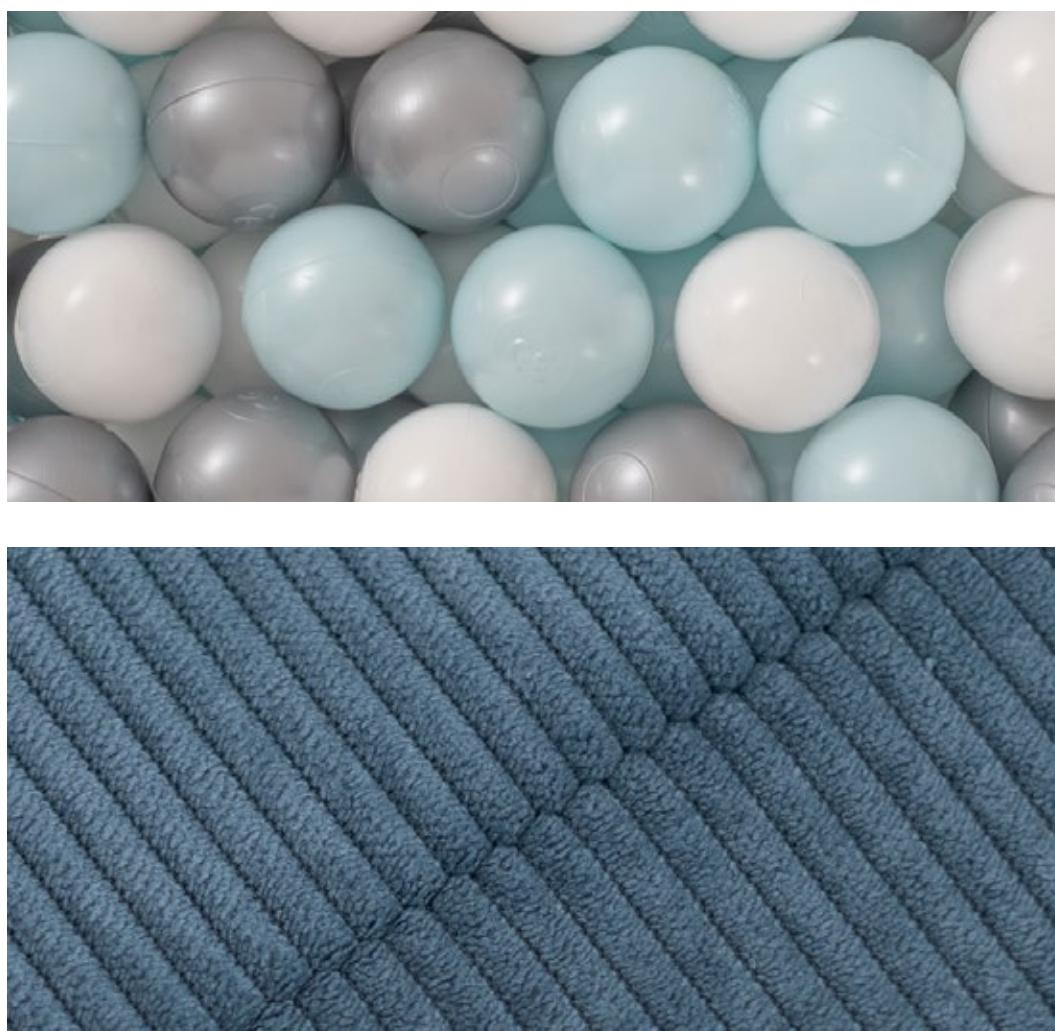

## ABOUT THE COMPANY

**Handmade. With love for children**

We are a new player in the market for products dedicated to children. We handcraft toys for the youngest. The mission of Plush Nest is to bring joy and support the development of children by providing fully safe, aesthetic and functional products. All our assortment is produced in Poland - we have our own proven production base.

Our products combine safety, functionality and original design. They are made from certified, safe materials and components. Ball pits, poufs, mats and armchairs - we created everything to support children's development and provide them with a creative space for play and learning.

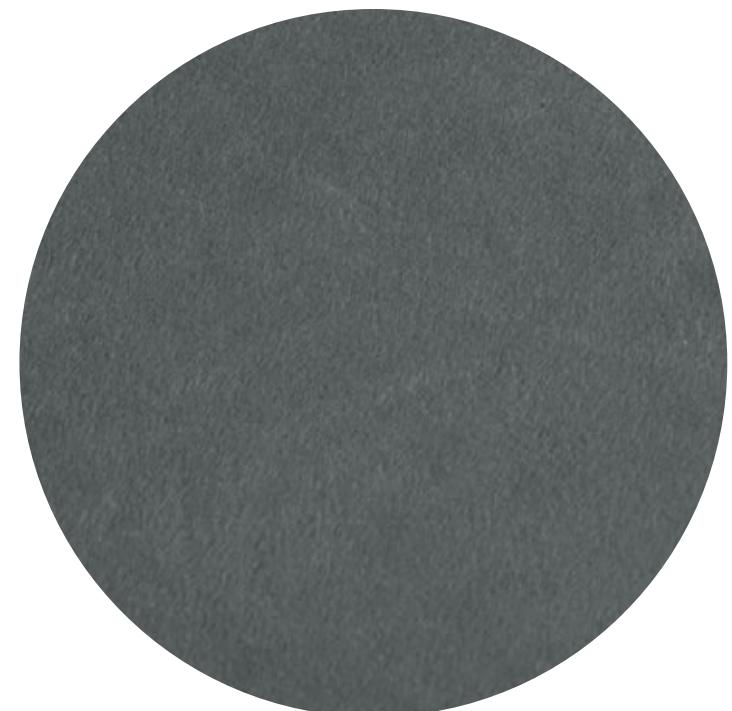

## PLUSH NEST - FABRIC

**COTTON JERSEY** is a breathable, extremely pleasant to the touch knit fabric, which is distinguished by its softness and elasticity. It is produced from combed yarn of very high quality.

**Composition:** 100% cotton

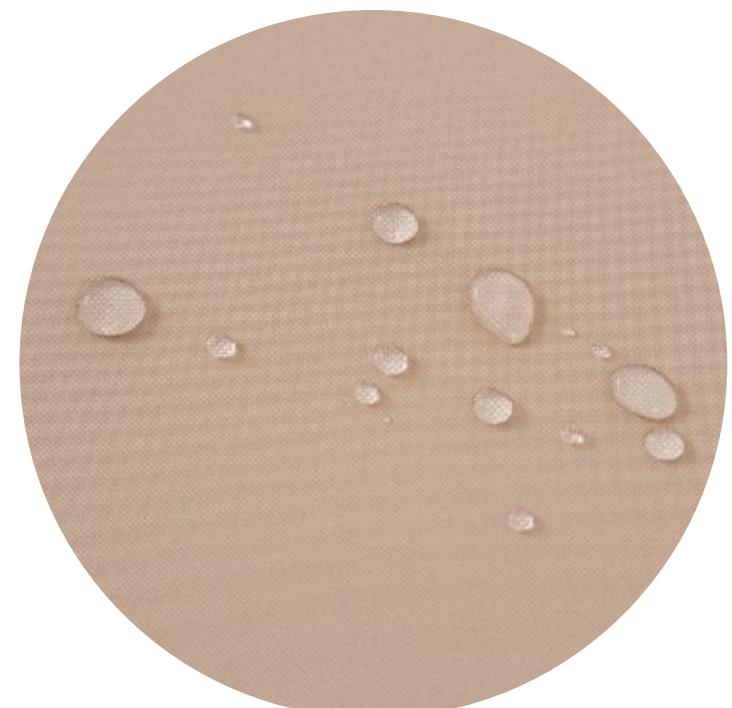

**Washing:** best washed by hand at a temperature of about 30°C

**VELVET** durable fabric that is pleasant to the touch; easy to keep clean.

**Composition:** 100% PES (polyester)

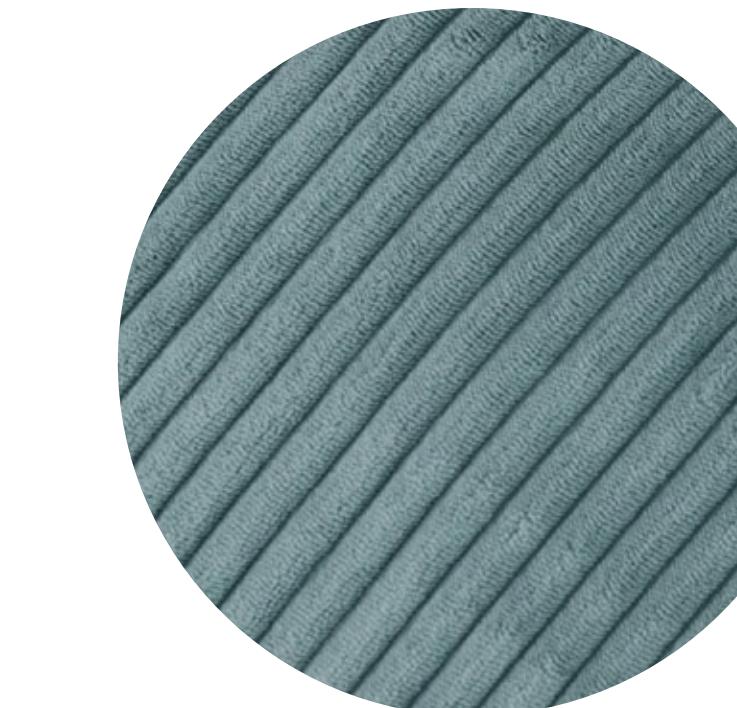

**Washing:** best washed by hand at a temperature of about 30°C

**WATERPROOF** fabric that protects against moisture, has high abrasion resistance, easy to clean.

**Composition:** 100% PES (polyester)

**Washing:** best cleaned with a soft sponge and a solution of water and soap at 30°C

**PREMIUM CORDUROY** a durable fabric that is resistant to wear, soft and pleasant to the touch; it is easy to keep clean.

**Composition:** 100% PES (polyester)

**Washing:** best washed by hand at a temperature of about 30°C

**LAMB** soft and friendly to the touch fabric, which is distinguished by its resistance to wear and tear.

**Composition:** 100% PES (polyester)

**Washing:** best washed by hand at about 30°C

**PUFFY LAMELL** is a lightweight, soft, and durable material, providing a cozy and stylish look. It is designed for both comfort and resilience, making it ideal for children's play areas.

**Composition:** 100% PES (polyester)

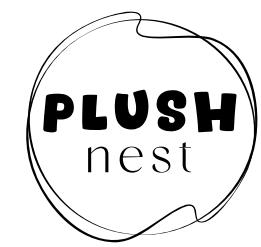

**Washing:** best washed by hand at a temperature of about 30°C
